EU Type Examination Certificate

This is to certify that:

COFRA S.R.L
VIA DELL' EURO 53-57-59-76121
BARLETTA
Italy

Holds Certificate Number: CE 708913

In respect of:

Respiratory protective devices to EN 149:2001+A1:2009 -
Filtering half masks to protect against particles
Models: SHELLFREE FFP3 V and ranges DOUBLEAIR, PRIME-FIT, KEEPFLAT and KLEEVER

on the basis that BSI carried out the relevant Type Examination procedures under the requirements with the Regulation (EU) 2016/425 of the European Parliament and Council relating to Personal Protective Equipment Regulation (PPE) Annex V (Module B) and meets the relevant health and safety requirements specified in Annex II

For and on behalf of BSI, a Notified Body for the above Regulation (Notified Body Number 2797):

Graeme Tunbridge, Senior Vice President Global Regulatory & Quality

First Issued: 2019-03-29
Latest Issue: 2025-09-30

Effective Date: 2025-09-30
Expiry Date: 2029-03-29

EU Type Examination Certificate

No. CE 708913

Product Specification

Product: Particulate Respirators

Product Type: Respiratory protective devices - Filtering half masks to protect against particles

Models with variants:	**Model Range**	**Models**
	DOUBLEAIR D/VD	DOUBLEAIR D and DOUBLEAIR VD
	PRIME-FIT/V	PRIME-FIT and PRIME-FIT V

Models with no variants:

PRIME-FIT V

DOUBLEAIR V D

SHELLFREE FFP3 V

Technical Specification: European Standard: EN 149:2001+A1:2009.

Product Description: The particulate respirators are 'cup style' products designed to protect against solid particles. The letter V in the model identification indicates the model incorporates an exhalation valve.
All models are single shift devices, denoted by the classification symbol NR, and some meet the clogging option requirement of EN 149, denoted by the classification symbol D, see EN 149 Classification Table.

The DOUBLEAIR D/VD and PRIME-FIT/V ranges make use of the same filter media, and the same design of nose clip and head straps. Models with the V suffix have the same design of exhalation valve.
The masks are held in place by a pair of elasticated head straps. All ranges are classified as both FFP1 and FFP2.

The PRIME-FIT V, DOUBLEAIR V D and SHELLFREE FFP3 V models make use of the same filter media and the same design of nose clip and head straps. The V suffix indicates the model includes an exhalation valve of the same design. The masks are held in place by a pair of elasticated head straps with 'pull-through' adjusters.

Product: Particulate Respirators

Product Type: Respiratory protective devices - Filtering half masks to protect against particles

Product Models

Models	Classification
DOUBLEAIR FFP2 V D CARBON	FFP2 NR D
PRIME-FIT FFP2 V CARBON	FFP2 NR

Technical Specification: European Standard: EN 149:2001+A1:2009 – Respiratory protective devices – Filtering half masks to protect against particles.

Product Description: The particulate respirators are 'cup style' products designed to protect against solid particles. The letter V in the model identification indicates the model incorporates an exhalation valve.
All models are single shift devices, denoted by the classification symbol NR, and some meet the clogging option requirement of EN 149, denoted by the classification symbol D, see EN 149 Classification Table.
The models DOUBLEAIR FFP2 V D CARBON and PRIME-FIT FFP2 V CARBON make use of the same filter media, and the same design of nose clip and head straps.
The models of PRIME-FIT FFP2 V CARBON and DOUBLEAIR FFP2 V D CARBON have a sponge nose seal.
The models DOUBLEAIR FFP2 V D CARBON and PRIME-FIT FFP2 V CARBON include a carbon layer in the filtering media.
Models with the V suffix have the same design of exhalation valve.

Certificate validity

The Certificate holder is responsible for ensuring that the Notified Body is advised of changes to any aspect of the overall process utilised in the manufacture of the product, failure to do so could invalidate the Certificate in respect of product manufactured following the introduction of such changes.

The validity of the Certificate for the products is also dependent on the maintenance of the EU Conformity to Type based on Quality Assurance of the Production Process, Annex VIII (Module D), BSI issued Certificate CE 687725 refers.
