IMPORTANTE PER LA VOSTRA SICUREZZA

Non usare mai il barbecue in luoghi chiusi, ma solo ed esclusivamente all'aria aperta.

Prima di accendere il barbecue assicuratevi che sia posizionato su una superficie piana.

Non usare alcool, benzina o altre sostanze infiammabili per accendere o ravvivare il fuoco.

In occasione del primo utilizzo del barbecue, attendere circa 30 minuti di funzionamento a caldo, prima di porre le vivande sulla graticola di cottura.

TENERE I BAMBINI LONTANI DAL BARBECUE QUANDO È IN FUNZIONE O ANCORA CALDO
