

EU Type Examination Certificate

Date: 2023/11/21

n. **860234701/TE**

Validity: 2028/11/20

This Certificate is a translation in English of the original Certificate issued in Italian.

The hereunder described items of Personal Protective Equipment have overcome positively the "EU type examination" (Module B), proving their conformity to the safety and health requirements of the Regulation (EU) 2016/425 (Annex II)

Manufacturer: (Responsible of the PPE)	U-GROUP SRL Via Borgomanero, 50 – 28040 Paruzzaro (NO) – Italia	
Type of PPE:	Occupational footwear in conformity with EN ISO 20347:2022 class I (= footwear made from leather and other materials)	
Category of PPE:	II : "medium" risks. This certificate is based on reference standards listed below: its validity is no longer ensured should new version of the standards come into force.	
Model	"AIR o" code UK20749	
Description:	 <u>model</u>: A (low footwear); <u>fastening system</u>: by means of laces; <u>processing</u>: direct injection; <u>outsole</u>: "forma U3680 GOLIA TERMO" made of grey compact PU marked "antistatic oil resistant" (CH00117); <u>midsole</u>: grey foam PU (CH00117); <u>upper</u>: taupe brown split suede leather declared thickness 1.8/2.0 mm (PL00015); <u>vamp lining</u>: grey felt (SI00120); <u>rear lining</u>: yellow three-dimensional fishnet knitting (SI00145); <u>tongue</u>: beige three-dimensional fishnet knitting (SI00166) centrally lined and padded, with the upper part made of black Lycra (SI00065); <u>bellows</u>: black coated fabric (SI00002); <u>insole</u>: beige non-woven fabric (SP00001); <u>removable insock</u>: grey perforated foam material, coupled with black knitting with "U-POWER ORIGINAL" stamp in contact with the user (TL00190). Provided also with optional and interchangeable orthopaedic insoles SECOSOL®, see "Annex 827211301/E".	
Technical Standard:	EN ISO 20344:2021 EN ISO 20347:2022	Personal protective equipment – Test methods for footwear Personal protective equipment – Occupational footwear
Intended use:	Industry in general, dry environments, assembly.	
Size range:	from 35 to 47	
Technical File:	DC-17531/E	
Test report:	RCT n°4253121/E	

EU Type Examination Certificate

Date: 2023/11/21

n. **860234701/TE**

Validity: 2028/11/20

Functions and
performance levels:

basic requirements for occupational footwear (OB) (see Table 2 and 3 of EN ISO 20347:2022): all mandatory ones, among which:

Slip resistance = slip resistance on ceramic tile floor with NaLS.

Additional requirements (Tab. 14 and 17 of EN ISO 20347:2022):

O1 = closed heel area, energy absorption of seat region, antistatic properties; **FO** = resistance to fuel oil; **SR(*)** = slip resistance on ceramic tile floor with glycerine.

Note: (*) the final level of the anti-slip features is achieved after the first hours of trial stage.

Marking:

on a stitched label and displaying the following information:

- **CE Marking**;
- registered trademark, name and complete address of the Manufacturer;
- designation of the footwear (= article name and alphanumeric code);
- nr. and year of the Standard of reference + protection symbols;
- size of the footwear (printed on the outsole);
- production date (month + year);
- additional information: website, category of the PPE, "Made in ...", batch number.

NOTE: the Technical File contains a more detailed description of the PPE (material, method of assembly, photographs or drawings), performance data, safety functions and level of protection, elements of conformity to the basic and supplementary requirements.
The Technical File is integral part of the present Certification, which has to be kept available by the applicant to be forwarded - upon request - to the entitled person (supervising body, Controlling Officer).
